

Entity: Chris Mitchell

Entity: Chris Mitchell

Semantic Summary

Neo-Nazi activist and former East of England organiser for the antisemitic British National Socialist Party (BNSP), significant chiefly as documented evidence of neo-Nazi infiltration of Restore Britain. Byline Times revealed that Mitchell was volunteering for the party from late 2025 and was personally welcomed by leader Rupert Lowe ("Welcome to the team mate!"), exposing Restore Britain's porous boundaries with explicit white supremacy. A self-described "Nazi-Buddhist" who has claimed that "Jewish control over our people WILL be coming to an end", he operates a Telegram channel promoting neo-Nazi content, has recruited white supremacists into Restore Britain, and is linked to the American "Groypers" movement of Nick Fuentes, with further network connections to Alex Yerbury and Patriotic Alternative. He represents the explicitly fascist end of the Restore Britain spectrum, within a party presenting itself as a right-populist alternative to Reform UK.

Role in Ecosystem

Chris Mitchell is a prominent neo-nazi activist who was welcomed into Restore Britain by party leader Rupert Lowe in late 2025, exposing the party's porous boundaries with explicit white supremacy. Byline Times revealed that Mitchell, a former East of England organiser for the antisemitic British National Socialist Party (BNSP), was volunteering for Restore Britain and had been personally welcomed by Lowe.

Mitchell has a long record of white supremacist activism. He has described himself as a "Nazi-Buddhist", claimed that "Jewish control over our people WILL be coming to an end", and has been involved in recruiting white supremacists into Restore Britain. He operates a Telegram channel promoting neo-nazi content and has links to the American "Groypers" movement (Nick Fuentes).

His significance is as evidence of the neo-nazi infiltration of Restore Britain — demonstrating how explicitly fascist activists have entered a party that presents itself as a right-populist alternative to Reform UK. Mitchell represents the far-right end of the Restore Britain spectrum.
