

Entity: Mike Graham

Entity: Mike Graham

Semantic Summary

British radio presenter and journalist — one of TalkRadio's longest-serving hosts (2016–present), fronting its breakfast/drive-time show, and a former Daily Express journalist. Graham represents the right-wing populist voice on commercial talk radio, reaching a national audience with direct, confrontational commentary on immigration, Brexit, crime and culture war issues, aligned with the Conservative/right-wing populist consensus. While less overtly partisan than some GB News presenters, his show provides a significant platform for right-wing narratives and regularly features Conservative and Reform UK voices. Documented connections in this profile are limited to TalkRadio and the Daily Express.
